Quality Agenda at Gladstone Medical Centre

We are proud to announce that once again we were nominated as Finalist for the Prestigious “General Practice Award 2014” in the categories of **General Practitioner of the Year** and **Long Term Conditions Team– Mental Health**.

The ceremony was held at the Lancaster Hotel, London on 20th November, and brought together over 600 primary care personnel at the glamour-filled evening.

At Gladstone Medical Centre, we have dedicated teams specialising in different areas of patient care. They work under the guidance of **Dr M Salahuddin** who coordinates the team’s activities. This has resulted in an efficient working environment.

Friends and Family Test

Have your say to improve your care

We would like your feedback on the care or treatment we give you any time you visit your GP or have contact with the practice. It doesn't take long. Put us to the test and tell us what is working and what we can improve. You can say what you think without giving your name and we will use the information to plan improvements to our services.

PATIENTS GETTING SAME DAY OR THE DAY OF CHOICE APPOINTMENT .

The surgery proved its commitment by providing quality and timely care to our patients. *At present over 75% of patients are able to get same day appointment and 100% within 24 hours. We are thankful to our patients who gave a very positive response to a local survey regarding waiting times.*

Surgery News

New Staff- Welcome to new Junior Doctor, Dr Joseph Bowns, Practice nurse: Lorraine Kilpatrick, Receptionists: Lyndsey, Lorraine and trainee Nicole.

Congratulations—We are proud to announce that **Dr Abel Adegoke** has been awarded “ Fellowship Of The Royal College of General Practitioners (FRCGP)”. This is a great achievement. Fellowship is the highest level of Membership of the College. We congratulate Dr Adegoke and his family on behalf of all the doctors, staff and patients of Gladstone Medical Centre.

Achievements—Like previous years, we are on outstanding targets of Quality Outcome Framework achievements, Public Health Quality indicators as well as one of the top Wirral practices who are on target to achieve required Dementia prevalence set by NHS England by March 2015.
